<p><i>Use a copy of this sheet to record more than 6 children. Use a separate sheet to record adult children with families, and also record a child, marriage date and place, and spouse's name here and on the separate sheet. Number each sheet, and record the referenced sheet number on this page for a cross-reference. Include any other information (e.g., confirmation name & date, bar/bas mitzvah, military service, etc., on a separate sheet of paper, referenced by sheet number.</i></p>
